

I Want YOU To Join The Band!

Band is open to students in grades 4-8. The STAR BAND program offers lessons and band rehearsals to students at Holy Angels School and St. Frances Cabrini School. We meet for a half-hour lesson once a week. Some lessons are individual, and others may be small groups of no more than 3 students, depending on interest and availability. Band rehearsals occur on Tuesdays, after school and in the evening. The bands are grouped by ability; first year students play in Beginner Band, and will join the Advanced Band after about a year of experience.

Recruiting for students in grades 4 and 5 will occur during their music classes during the week of September 5th.

The parent information meeting and sign up night will be on the evening of Tuesday, September 13th.
