

Ready to Shop, or Sing, 'til you drop?!

By Hannah, 7th grade

Yes, you can shop or sing for FREE at the SFC Spring Concert this year! Now, you are probably saying to yourself, "Shopping or singing? What in the world is the theme this year?" Well, the theme for the St. Frances Cabrini Spring Concert is Music at the Mall, but it will be held in our gymnasium. This year's show is set in a downtown shopping mall and features songs about each store at the mall. This will be the only night where you can see our school gymnasium transformed into a mall! So, this show is a must see for all you shopaholics! Students in the even grades (the K4, 2nd, 4th, 6th, and 8th graders) will be singing many songs, including a Mamma Mia medley. To find out more about our great "singing spree" at this year's Concert, make sure to join us:
