

## **Life after Cabrini....**

by Molly, Rachel, and Megan, 7<sup>th</sup> grade

What are the benefits of attending Cabrini? What difference has it made in the life of our alumni? These are the questions that we wanted to ask and decided to join forces and share what we discovered were the many strengths of attending St. Frances Cabrini Catholic School from an alumni point of view.

Megan K. interviewed her two sisters, Emily and Alyssa, both high school sophomores. Molly K. interviewed her brother Seth, a high school freshman. Academically, the three agreed that they felt well prepared for high school Advanced Placement (AP) classes and other courses after attending Cabrini. They shared that the higher expectations and standards set for them by their Cabrini teachers has helped them succeed in high school.

Spiritually, they said that going to a catholic school gave them great values and guided them to participate more fully at church as cantors and lectors. They feel that they were blessed to have received such a strong faith education at SFC. They all agreed that extracurricular activities helped strengthen the foundation of their education. Forensics prepared them well for public speaking in class presentations and for lecturing at Mass. Volunteering at Cabrini has encouraged them to volunteer in high school, too.

Seth mentioned, "I walked away from SFC with knowledge, life lessons, and a positive attitude." Clearly, the great education a student receives at St. Frances Cabrini School will influence their academic and spiritual lives and provide them additional life skills through programs like Forensics. We are very proud to be students at Cabrini and hope that this article will help influence someone's decision to send their child to Cabrini, too.

## **We Appreciate Our School Committee Members!**

We are so very fortunate to have a wonderful group of parents that volunteer their time to be on our School Committee. The School Committee is responsible to the Pastor and Parish Council of St. Frances Cabrini Parish. It abides by the constitution and by-laws of the Parish in carrying out its educational and formational mission. The primary purpose of the School Committee is to plan for and ensure the resources necessary for St. Frances Cabrini Parish School to provide the facility, staff, educational resources and environment that foster both the academic and spiritual growth of our students.

We hope that you were able to meet our members after the Spring Concert on Thursday, May 7th. Several members helped to organize and coordinate a reception after the performance for families and students. Our School Committee members are Jane Morisse, Randy Lucka, Scott Stueber, Mary Herdrich, Dan Kappler, Jeanne Karls, Rich Kasten, Steve Koepp, and Todd Leichtle. Our committee member's dedication and commitment have helped to make our school a wonderful place for our children to receive a highly regarded Catholic education. We appreciate all that you do for our us!

## **Our Awesome Cabrini Parents**

By Cassie, 7<sup>th</sup> Grade

Our SFC parents may not realize how much we appreciate them. But, we sure do appreciate all that they do for us at Cabrini. To start, we would like to thank all of our parents for investing in our Catholic education. In addition, we appreciate the time and talents that they have donated to our school to help make it such a wonderful place. There are a few outstanding Cabrini parents that we would like to recognize.

Mrs. Kieser is a very special parent to all the kids at Cabrini. She not only teaches French, but also teaches Health, and Literature. We all have such wonderful memories and experiences with her. We especially like her awesome sense of humor! Thanks for all that you have done and continue to do for us Mrs. Kieser.

Mr. Kieser is another very important parent to everyone at Cabrini. He donates his time to be our Athletic Director. In this roll, he schedules our volleyball and basketball games as well as tournaments. In addition, he handles all of the athletic wear for all sports members. We really appreciate Mr. Kieser.

Mrs. Rosenheimer is another parent that has made a difference in so many Cabrini children's lives. She helps with lunchroom accounting, library support, and substitute teaching. Her smiling face and great attitude have brightened our experience at Cabrini. We are so grateful to have such a wonderful person working with us!

Mrs. Koerner is yet another parent who has donated so much of her time to Cabrini. She has made costumes for our Christmas concert which were the hit of the show! If it weren't for Mrs. Koerner, who made the costumes by hand, the show wouldn't have been the same! We value all that you do for us, Mrs. Koerner. Thank you so very much.

We have so many wonderful parents at Cabrini and we do appreciate all of them. Our parents help bring our school together to be the best school around! Thanks Mom and Dad!
